Reply and Amendment

Dear Sir:

This Reply and Amendment is a timely response to a First Office Action mailed March 15, 2006, having a three month shortened statutory period for reply ending June 15, 2006, accompanied by a 1-month extension of time. In response to a Restriction Requirement, Applicants elected Group III and Example 47 to further prosecution and amended claims to be directed to said elected group. Thus, pending in the application are claims 1, 2, 6-31, 37 and 39 which were rejected and claims 47-52 which were newly added in the instant amendment.
